Dedication

Michael Moriarty

December 10, 1992 ~ March 23, 2010

On a rainy Wednesday evening, St. Bernard's Central Catholic High School came together to remember a classmate, Michael Moriarty. Father Gomez prayed with us and reminded us that God was with us in the rain, shedding tears for a beloved son. The candlelight vigil on March 31, 2010 on the campus of St. Bernard's was a fitting tribute to a young man who once said, "I tried not to pray in common places in common ways." Our remembrance of him that night was an extraordinary event for an extraordinary person.

In life, he wanted to be an accountant, or a veterinarian since he loved animals. He was a loving big brother to his sisters, Samantha and Jennifer. He was an excellent miniature golf player, and was quite a fast runner. He enjoyed telling funny stories

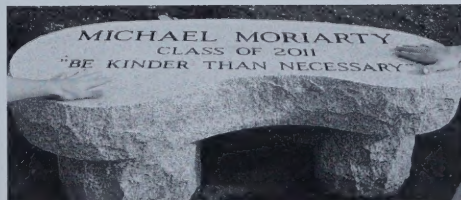

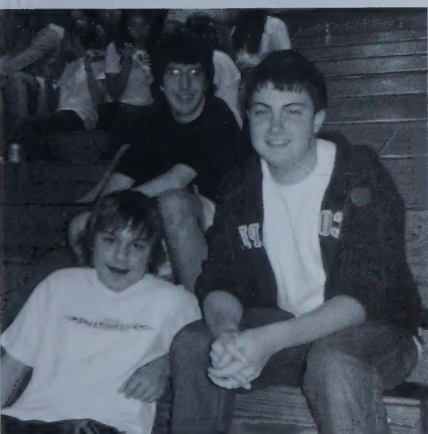

*Be Kinder Than
Necessary*

during lunch period. He loved traveling, especially to Hawaii to visit his two aunts with whom he was very close because they were so far away. He loved football, and during one trip to Hawaii, he went to the Pro-Bowl and got an autograph from Peyton Manning, quarterback for the Indianapolis Colts. He loved his church, St. Leo's in Leominster, where he will be remembered as an altar server, an office worker, and a smiling face that would greet visitors at the door. He was quiet. He was respectful. He was patient and he was tough.

Michael left us as a student. Now, we remember him as our teacher. As a member of the Class of 2011, Michael taught us that our faith can have the greatest meaning in times of suffering and loss. He was unique and very special because we have learned from him that our challenges, our struggles and our vulnerabilities can make us strong. While Michael endured as many as thirty surgical procedures, he never complained and he never asked why. Instead, he lived and he loved his life.

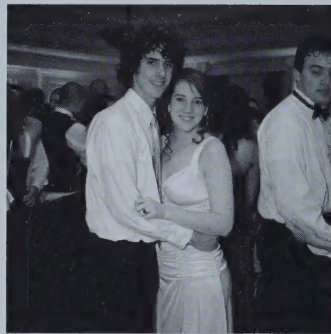

This is a dedication to Michael, but also to his parents. Together, they have taught us what family really means. In the face of adversity, they showed us pictures of joy. Joseph and Diane Moriarty were the angels on this earth who guided Michael through his life and showed him a world that was beautiful. They put their faith and courage to work in their pursuit of happiness, and we honor them because they taught us how to grieve while holding up grace.

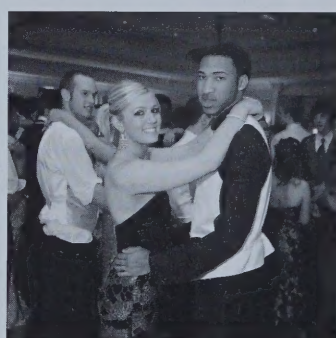

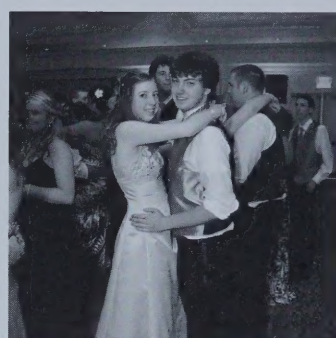

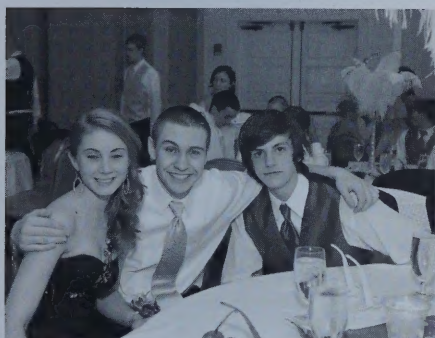

On March 23, 2010, Michael passed away at the age of 17, a junior class member, a Bernardian. God wept and then took him home. Michael Moriarty seems so far away but, living in his spirit will always keep him close. He taught us in his own ways and in his own words to "...be pure of heart and be committed to having God forgive our sins, not to pray the most common ways, but in our own unique ways, having self-control over our actions, and spreading peace to the world." We remember him best when we answer his call to "be kinder than necessary."

Our Freshmen Class may be small but we are certainly not quiet. We began this year, just faces in the crowd with butterflies in our stomach and anxiety in our head and dreams in our hearts - together we have created a truly unique personality. Together we became a tight-knit community as we began our journey into the social, academic and spiritual transformation that high school is. Every one of us has together become a part of this Saint Bernard's community and that means much more than one at first glance would think. It means we are a class of students who support each other no matter what. Whether that means going to the upcoming basketball game and cheering on the Bernardians, watching their fellow classmates perform in a theatre production, or staying up late helping someone study for tomorrow's English test. It means we have worked to support charities such as the Heifer project or the Quill's Initiative help the less fortunate in Cambodia. It means even though each student in our class is a distinctive individual with many special talents and abilities that makes them a true character as a whole we become so much more than just individuals. We are classmates, we are performers, we are lab partners, we are teammates and most of all we are friends. We are students of the Freshmen class at St. Bernard's Central Catholic High School and we are here to stay.

That Valentine's Day you were born, no one could ever replace.
You filled everyone's hearts, with that smile on your face.
To watch you grow has been such an honor.
Now, it is time to let you go and wander.
Remember, what you have learned along the way.

And, what your Kindergarten teachers would say...
"Be Kinder than Necessary,"
You know the way.

You are now ready to take the next step.
All the years memories, in our hearts they are kept.
Keep up all the good that is in your mind.
If you get lost, know that we will find.
Keep making us proud, as you find your own space.
Because SON, no one could ever replace.

Mom, Dad and Bryan

Congratulations Lisa!

Time has gone by more quickly than I could have imagined and now the moment has come for you to spread your wings and embark on your future...

As I send you on your way I just want you to know how very proud I am of you! You have accomplished so much and have overcome many road blocks to get to where you are today. Its been a tough road but...
YOU MADE IT!

As you venture into this next phase of your journey remember:
Never sell yourself short or give in to what other people want of you.
Stay true to yourself; have faith in your beliefs; and know that self respect can carry you a long way.

Life is made up of choices - try to make the best ones you can but learn from the mistakes you make along the way. Your experiences will mold you and make you who you will become.

Take time to figure out what's really important to you and then work hard to make it happen!

Travel safely and wisely along the path of life but remember to smile and enjoy yourself along the way!

Know this - I will be with you wherever you go
I will love you no matter what
And I will ALWAYS be there for you in every way.

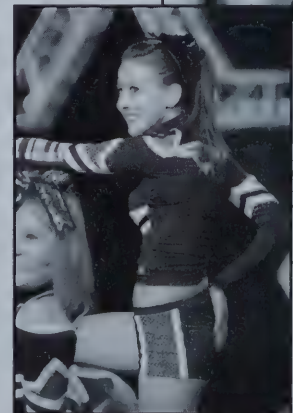

"Guess how much I love you?...all the way to the moon and back again"

**Love,
Mom**

Ryan,

You have been a son the son of my dreams. Your kindness, tender heart, and drive for life are all traits that make you a young man that the world is lucky to have.

The years of coaching you in hockey, and the memories that we have shared are something that I will always remember. You have grown into a special man who cares about others before himself, a man that helps others before himself, and more important, a man that society will reward through your life. I am very proud of your efforts, and accomplishments, and my heart hurts only that I will not be by your side every day as I was while you were growing up. As you know....I will ALWAYS be by your side.

I love you

I am so proud of who you are and excited for your life ahead. As you go through your life, dream big dreams, grow in spirit and faith each day, reach for the stars and most importantly be true to yourself.

I love you more than you could ever

Set your standards high
Never settle for less
Believe in yourself
No matter what path you choose
Keep a winning attitude
And you will never lose.
Think about your destination
But don't worry if you stray
Because the most important thing
Is what you've learned along the way
Take all that you've become
To be all you can be
And soar above the clouds
And let your dreams run free

Dear Stephanie,
Congratulations on a job well done!
As you move on to the next chapter in your life:

May God in His wisdom
And infinite love
Look down on you always
From Heaven above.
May He send you good fortune
Contentment and peace
And may all your blessings
Forever increase.

And

May all your skies be blue ones
May all your dreams be seen,
May all your friends be true ones
And all your joys complete-
May happiness and laughter
Fill all your days for you
Today and ever after
May all your dreams come true
